German 6G Program

- 6G program announced in April 2021
- Four Research Hubs
 - 250 Meuro, August 2021 – July 2025
- 6G Platform
 - *Umbrella organisation for German 6G program*
 - *Responsible for EU and international collaborations, liaisons with vertical industry associations*
- AI-NET, 2021 - 2024
- 6G Industry Projects, 2022 - 2025
- Projects on Resilience, 2022 - 2025

Our Mission

- Networking platform for 6G program
- Harmonisation of concepts and results for joint dissemination
- Creating an innovation network with SMEs and start-ups
- Ensuring acceptance of concepts in society by a bidirectional science communication process
- Creating a skilled worker force
- Creating harmonized German contributions to UN SDGs
- Managing liaisons with other 6G programs
- Increasing the visibility of the German 6G program
- Supporting competitiveness of German industry

6G Platform Germany Working Groups

Working Group	Name	Scope and Deliverables (always based on contributions of participating projects)
1	Science Communications (BI, TUK)	Management of program communication, liaisons, events, and bidirectional science communication; dissemination. Deliverables: video clips, newsletter, webinars, lecture series, background discussions, panels,
2	Sustainability and Contributions to UN SDGs (FhG IIS, UB)	Harmonisation of evaluation methodology and concepts for energy-efficiency, coverage of rural areas, electromagnetic exposition, ... and other issues of societal relevance, harmonisation of contributions to UN SDGs; Deliverables: White Papers, scientific papers, content for science communications, joint contributions to regulatory processes, ...

The image displays three screenshots of the Sympa mailing lists service interface for 6G Platform Germany.

Top Screenshot: Shows the 'Mailing lists service' overview. The left sidebar lists various email addresses including `fg1@6g-plattform.de` through `fg3@6g-plattform.de`. The right sidebar lists `fg3 für 6g Modellregion`, `fg4@6g-plattform.de`, `fg4 für 6g Modellregion`, and `info@6g-plattform.de` (highlighted with a red arrow). The bottom sidebar lists `Newsletter 6g Plattform`.

Middle Screenshot: Shows the 'Mailing lists service' overview. The left sidebar lists 'Abonnenten: 14' and 'Eigentümer: Frank Herrmann, Michael Karrenbauer, Hans Schotten'. The right sidebar lists 'Listeninformationen' and 'Newsletter 6G-Plattform'. The bottom sidebar lists 'Abonnieren' (highlighted with a red arrow) and 'Abbestellen'.

Bottom Screenshot: Shows the 'Mailing lists service' overview. The left sidebar lists 'Abonnenten: 14' and 'Eigentümer: Frank Herrmann, Michael Karrenbauer, Hans Schotten'. The right sidebar lists 'Ihre E-Mail-Adresse' (highlighted with a red arrow) and 'Ausführen' (highlighted with a red arrow). The bottom sidebar lists 'Abonnieren'.
