EURESTMA - EUROPEAN RESEARCH AND TRANSFER MANAGEMENT

Certificate of Advanced Studies

FACULTY OF BUSINESS MANAGEMENT AND SOCIAL SCIENCES

DISCOVER THE EURESTMA CERTIFICATE

Join the EURESTMA programme, enhance your expertise and develop a European perspective on Research Management. Offered by top academic institutions, this unique certificate programme optimises your learning experience through a combination of flexible online sessions, self-study, and two immersive on-site weeks (3.5 days each) in Brussels, Belgium. This hybrid approach minimises your travel costs while maximising face-to-face interaction, which is essential for effective networking.

Key characteristics of the Certificate

- Build an international network of research managers
- Receive an academic certificate
- Implement a change project at your own institution
- Address challenges and update your knowledge of the profession
- Obtain up-to-date knowledge from leading European experts
