1. Follow the link and create an account

Browser window showing the Coursera login page for Hochschule Osnabrück. The URL is <https://hs-osnabrueck.gethighered.global/vevents>.

The page features a navigation bar with links: My page, Virtual Events, Jobs, Companies, Masterclasses, Assessments, Country Guides, Jobs in China, and coursera. A "Log in / Sign up" button is visible in the top right corner.

The main content area displays a large image of the university building and a sign-up prompt: "Sign up today! Connect with companies and organisations to enable real-time interaction between recruiters and candidates."

A modal window is open, titled "Thousands of International Career Opportunities". It offers three login options: "Continue with Google", "Continue with LinkedIn", and "Continue with Facebook". Below these, there is a link to "Show all login options" and a section for "or use your email".

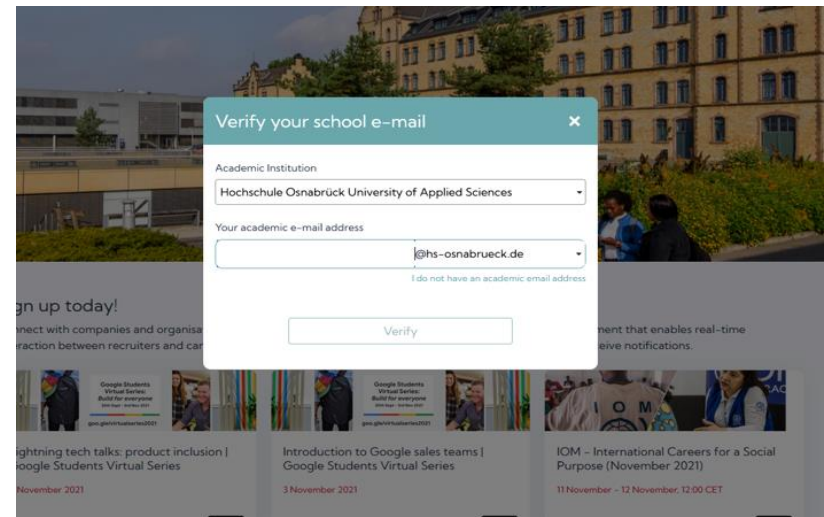

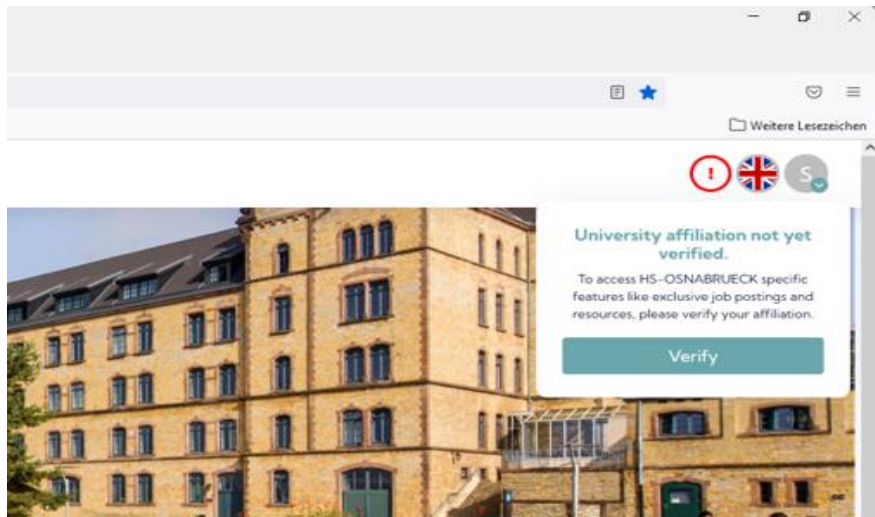

The email login section includes an input field for "Email" and a "Log in" button. A red circle highlights the link "Don't have an account? Sign up".

A callout box on the left side of the modal window contains the text: "Use your private email address for creating your account".

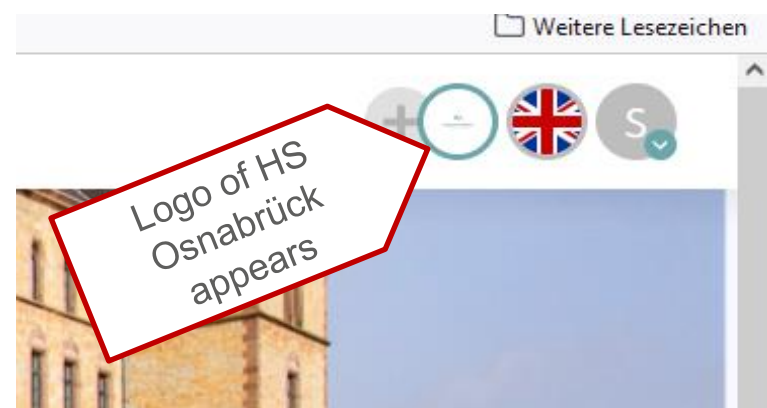

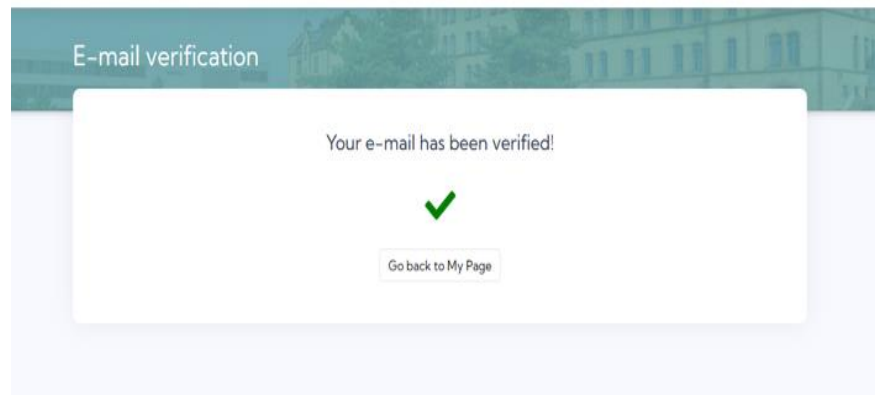

The bottom of the page shows a Windows taskbar with various application icons and a system clock indicating 09:33 on 28.10.2021.

2. **Important:** Use your emailaddress from Hochschule Osnabrück to verify that you are a student at our university.....
