

This international project is co-produced through a decolonising lens, actively centring diverse voices and lived experiences to challenge conventional knowledge hierarchies.

It features student hosts Eleanor Hogan and Tina Odu, varied academic hosts, experts by experience, practitioners, and educators, amplifying their perspectives in equitable global dialogues. Funded by the European Association of Schools of Social Work, it's led by Assoc. Prof. Henglien Lisa Chen (University of Sussex, UK) & co-produced by Mitali Kulkarni.
