**Individual scholarships for students from**  
**U.S. partner universities to spend an**  
**exchange semester at Osnabrück**  
**University of Applied Sciences**  
**(study or internship)**

The KITABU Foundation provides Osnabrück University of Applied Sciences with financial resources to promote transatlantic cooperation, with a focus on the USA.

Part of that funding goes to scholarships that are awarded to students from partner universities who come to Osnabrück University of Applied Sciences on exchange for a semester of study or for an internship or lab project.

Terms of Award

Monthly stipend of 500 euros

Funding period: 3 to 6 months according to the length of the study / internship period. If the scholarship holder decides to participate in the Intensive German Language Course prior to the semester, the duration of that course will also be covered by the funding period

Scholarship holders are not permitted to receive supplementary funding through any other German funding body.

At the end of the semester the scholarship holder has to submit a written report on her/his stay.

Application

Students may only apply after having been nominated as an exchange student by their home university. When registering as an exchange student through the online application portal of Osnabrück University of Applied Sciences the student needs to indicate whether (s)he wishes to apply for the KITABU Scholarship.

Documents: Full Resume and transcript of current university studies including GPA. As these documents are part of the normal registration process, no special documents are required for the scholarship application.
