

**Corona Virus Update | Current Information E-Mail to Students of Osnabrück University of Applied Sciences, Tuesday, July 7<sup>th</sup> 2020**

Dear Students,

The restrictions for citizens of the district of Gütersloh have been lifted. Thus, students who live in this district are allowed to participate in exams again.

Students who are currently in quarantine, may not participate in any exams during this time. If you are one of these students, please contact the following person in order to make an appointment for an alternative exam:

Faculty of Agricultural Sciences and Landscape Architecture: Mrs. Santjer, phone: +49 541 969-5073, E-Mail: [b.santjer@hs-osnabrueck.de](mailto:b.santjer@hs-osnabrueck.de)

Faculty of Business Management and Social Sciences, Faculty of Engineering and Computer Science, Institute of Music: Mrs. Schütz, phone: +49 541 969-3140, E-Mail: [k.schuetz@hs-osnabrueck.de](mailto:k.schuetz@hs-osnabrueck.de)

Faculty of Management, Culture and Technology (Lingen): Mrs. Garrelmann, phone: +49 591 80098-637, E-Mail: [i.garrelmann@hs-osnabrueck.de](mailto:i.garrelmann@hs-osnabrueck.de)

And in these last days of exams we ask you to keep your distance to fellow students before and after your exams, to abide by the hygienic rules and to wear a protective mask in the university buildings at all times. The Office of Health Affairs of the City of Osnabrück has assessed our hygienic concept to be safe and very good. But it can only unfold this potential if you avoid to stand together in large groups on campus. Please keep your distance!

With our best regards,

Your University Steering Committee
