

Dear Students,

for obvious reasons we would like to remind you that you are obligated to register with your contact data at the beginning of each and every face-to-face-class that you are participating in. If you deny to register, you can be expelled from the classroom.

To register, there are different options: You can either use your smartphone to scan the QR code on your desk and fill the form that will show on your display, or you can register on our corona registration website, <https://core.hs-osnabrueck.de/>. Alternatively, every professor will be able to supply you with a paper registration form.

You can find detailed information on the registration process here: <https://www.hs-osnabrueck.de/corona/#c10078622>.

Please remember: Should there be a case of COVID-19 in your classroom, we have to be able to transmit complete attendance lists to the Public Health Office, and take the measures that are necessary to contain the spread of the virus. We rely on your help!

Thank you very much for your understanding and your compliance, and stay healthy!
