**HOCHSCHULE OSNABRÜCK**  
UNIVERSITY OF APPLIED SCIENCES

Welcome to Osnabrück University of Applied Sciences, the largest University of Applied Sciences in the German state of Lower Saxony. In addition to offering around 100 practice-oriented study programmes in three locations, we have an impressive teaching and research record, and provide excellent opportunities for personal development. Our students value the academic and professional expertise of our faculty, our international networks, and our modern university management. To fulfil our mission, we are looking for individuals with innovative ideas and life-long curiosity.

The Institute of Music at Osnabrück University of Applied Sciences invites applications for the tenured W2 position of:

## PROFESSORSHIP FOR POP BASS (INCLUDING SPECIALIZED DIDACTICS), 50%

to start as soon as possible.

Ref. No. IfM 716 P0624

The professorship in the Music Education B.A. degree program is designated for the subject area of Pop Bass. Building on their individual background, the future incumbent is to represent research, teaching, and transfer in this area, covering the discipline in the existing specialization of "Pop Bass". With its combination of theoretical and practical training for instrumental and vocal teachers in all stylistic areas, our music department has a particularly demand-oriented training concept. Great emphasis is therefore placed on interdisciplinary and stylistic openness.

The criteria of the Lower Saxony Higher Education Act (NHG) govern the requirements for appointment to a professorship at Osnabrück University of Applied Sciences (<https://www.hs-osnabrueck.de/berufungen-und-recruitment/berufungsverfahren/formale-einstellungsvoraussetzungen/>). These criteria must be met. For the advertised professorship, these criteria are specified as follows in accordance with Sections 25(1) and 25(2) NHG:

- The future incumbent is expected to have a university degree in the area of instrumental teaching with reference to popular music or a comparable discipline with reference to popular music.
- The future incumbent is expected to demonstrate their particular aptitude for artistic work.
- Evidence of additional artistic achievements in the area of pop bass must also be provided.
- Pedagogical-didactic aptitude: Appropriate teaching experience – preferably with students – must be demonstrated. The future incumbent will focus on developing our students, transferring knowledge, and demonstrating enthusiasm for the distinctive features of the subject.
- They must have at least three years' experience of teaching in a school or equivalent, or experience of empirical research appropriate to the tasks.

Ideally, the incumbent will also have the following qualifications and skills:

- Experience in interdisciplinary/transdisciplinary collaboration

President of Osnabrück University of Applied Sciences | P.O. Box 19 40 | 49009 Osnabrück | Germany  
berufungen@hs-osnabrueck.de | [www.hs-osnabrueck.de](http://www.hs-osnabrueck.de)

Would you like to contribute to the university as a professor but do not meet all the recruitment requirements or represent a different subject area?

We will help you on your path to a professorship: [www.hs-osnabrueck.de/haw-professur](http://www.hs-osnabrueck.de/haw-professur)

## HOCHSCHULE OSNABRÜCK

UNIVERSITY OF APPLIED SCIENCES

- A cooperative management style towards students and staff
- Gender and diversity competence
- Intercultural experience in an international environment
- Professional practice in music schools, higher education, or the field of music education with reference to the content and responsibilities of the professorship
- The ability to deliver classes in English

We look forward to recruiting an individual with above-average qualifications who will make an interdisciplinary contribution to our teaching, research and self-administration. Motivated students, exciting projects, and committed colleagues are waiting for you!

### **This may also be of interest:**

Osnabrück University of Applied Sciences is an equal opportunity employer. In line with our objective to increase the proportion of women in research and teaching, we explicitly encourage qualified women to apply for the position. In addition, we are keen to attract candidates with expertise in the areas of gender, diversity and family friendliness. For further information, you may contact our Equal Opportunity Office (phone: +49 541 969 2955 or [gleichstellung@hs-osnabrueck.de](mailto:gleichstellung@hs-osnabrueck.de)). Due to the part-time nature of the professorship, the position is salaried. Applications by candidates with disabilities will be given preference in case of equal qualification.

Please send your application (in English or German) in electronic form – preferably as one PDF file – stating the reference number to the following address by 24.07.2024:
